CDC OUTDOOR MASK GUIDANCE

A photograph of a man and a woman walking a dog on a paved path next to a calm lake. The man is wearing a blue long-sleeved shirt and grey shorts, and the woman is wearing a white t-shirt and dark shorts. They are both wearing hats. A dog is walking ahead of them. In the background, there is a dense forest of green trees. A large tree trunk is visible on the right side of the frame. A wooden bench is partially visible on the right.

ACCELERATED LEARNING

Helping schools support students
and address unfinished learning
due to the COVID-19 pandemic

ACCELERATED LEARNING

- **Support the Use of High-Quality Instructional Materials:**

Provide statewide licenses for access to high quality instructional materials such as Zearn Math for every rising 1st through 8th grader and Summer Booster Literacy for every rising 1st through 5th grader.

- **Support Training and Professional Learning:**

Provide initial and ongoing professional learning to support learning acceleration, which will also be open to those working in nonprofit programs and other summer and after-school programs.

ACCELERATED LEARNING

- **Support Leveraging Data to Diagnose Unfinished Learning:**

Support schools to implement a balanced assessment system and leverage data that supports educators in diagnosing unfinished learning and providing the necessary scaffolds to ensure all students have access to grade level instruction.

- **Support Structures to Accelerate Learning:**

Provide high-dosage tutoring beginning this summer, with a focus on students who need the most support.
